

# Sex, God, and Marriage

In this groundbreaking book, Arnold, a pastor for over forty years, provides fresh biblical insights into critical issues including the sacredness of sex, the struggle against temptation, the decision to remain single or to marry, child rearing, homosexuality, divorce and remarriage. Sex, God, and Marriage offers healing to anyone who has known discouragement or failure and hope to anyone who is willing to take a bold new look at a topic of universal interest and concern. Unlike the vast majority of marriage books, Sex, God, and Marriage digs deeper than the usual issues and goes to the root: our relationship with God, and the defining power of that relationship over all others in our lives.

Sex, God, and Marriage by Johann Christoph Arnold If you really want his attention, work with the way God designed him. A great sex life wont solve the problems in your marriage however, it will fortify your
