

My Journey Beyond Being Catholic

Being part of the Catholic religion was a fundamental aspect of my identity for nearly fifty years. Never being one to question those in authority, I clung to the comfort of what I had been taught and the security of adhering to Catholic doctrine. Being Catholic in and of itself isn't wrong. Rather, I wrote this book to first of all encourage others who left, or are considering leaving Catholicism. Second, I wish to share what was revealed to me as the fundamental difference between Catholicism and Christianity. In reading this book, it is my hope that my dear Catholic friends may know, that in spite of the route I chose, there can be such a thing as Catholic Christianity. Thinking back, I can still remember the particular moment when it occurred to me that although I was a good person, went to church, and didn't sin much, I was not absolutely sure I was going to heaven. That realization was pivotal in my journey, as I began to allow truth to take root that did not mesh well with my otherwise comfortable Catholic religion. The events, circumstances, and relationships that make up my journey do not at the outset appear spectacular or amazing in any way. However, putting my life on paper allowed me to view with awe and wonder the way God pursued my heart. When seen as a whole, a most remarkable image evolves, depicting how God has lovingly drawn me to Himself. I am thankful for the opportunity to share the story with you, and hope that regardless of your religion, you are wholeheartedly stepping out in faith and embracing Jesus Christ as your only hope of

salvation. The reward is sweet, my dear friend, and you only stand to gain from what He has done. My sincere hope is that all readers, regardless of their own journey, will be richly encouraged by my own life's journey. About the Author: Connie Limmex is a wife, mother, grandmother, and retired teacher living in the heart of Wisconsin. She loves to walk, sing, spend time with family and friends, and is involved in children's ministry. Early retirement allowed her the time to follow the call God placed on her heart to write her story and discover a newfound love for writing.
