

The Christian Way to be Happily Married

This ecumenical Catholic Christian marriage guide offers Christian marriage guidance centered around following Jesus with love, wisdom, and other Christian virtues during ordinary marriage and family activities. The virtues help Christian couples (and non-Christians too) deal with marital problems effectively, strengthen their marriage, and deepen their relationship with God. The author draws from Jesus, Paul, Thomas Aquinas, John of the Cross, Therese of Lisieux, Dietrich Bonhoeffer, and other saints and spiritual reformers to show that following Jesus virtuously is the Christian Way not only to holiness in marriage and family life, but also to happiness--that is, to a profound Christian happiness focused on God and virtue, not just a conventional happiness focused on worldly goods. This marriage guide is ideal for engaged and married couples who would like Christian moral and spiritual marriage guidance to supplement, enhance, and often correct today's mainstream secular marriage guidance.
