

## The Practical Catholic (Classic Reprint)

Excerpt from The Practical Catholic So many books of devotion have been translated from foreign languages for the use of English-speaking Catholics, that an apology may be called for when another is added to the list. It is, however, hoped that the present work will meet with approval, since it has proved most popular both in the original Spanish and in its French translation. Each of these have run to over 24,000 copies, and each also bears letters of approval and recommendation from the Episcopate. The author, in his fourth edition, has printed extracts from letters written by three Cardinals, six Archbishops, thirty-one Bishops, and three Administrators of dioceses.
