Lives of the Saints

by Alban Butler
[1894]

Kindle Edition published by Evinity Publishing Inc, 2009.

This popular edition of Butlers Lives of the Saints has been specially prepared for the Kindle. It has descriptions of the lives of hundreds of Catholic saints organized by their feast days. This devotional classic continues to fascinate devout Catholics, and the tales of the Saints provide daily inspiration. It is a primary reference on the subject of the Catholic Saints. This is the Benziger Brothers edition of Alban Butlers Lives of the Saints. Butler (1711-1773), was an English Roman Catholic priest. This, his principal literary work, was published between 1756 and 1759. Lives of the Saints has hundreds of capsule descriptions of Catholic saints, organized by the saints day of the year. The 1894 Benziger Brothers edition, originally published in 1878, was heavily edited by John Gilmary Shea (here uncredited. Source: MELVYL). The Reflections were not in the original Butler text, and were probably added by Shea. The full text of Alban Butlers work, which occupies over 1,200 pages of two-column small type, will have to wait for another time. However this imprimatur edition was apparently widely used by American Catholics at the turn of the 20th century, and remains accessible, and a source of continued inspiration to contemporary readers.--J.B.
