

Ricky & Mobo

For his sixth birthday, Ricky receives the best present ever, Mobo, a mechanical horse. With a few pumps of Rickys legs, he and Mobo race across the floor. Nothing could be better! Then Rickys mom tells Ricky about the neighborhood block party and race. Children will compete to find out who is the fastest. Ricky is sure he and Mobo will win the race. But when the big day comes, not everything goes according to Rickys plans.
