

Living Together, Loving Together: A Spiritual Guide to Marriage

Here is a book for Christian couples who want to grow in their relationship with one another and with God. Topics covered include communication skills, spirituality, understanding personality types, sexuality issues, and dealing with practical matters like finances and raising children. Couples can read this book together, or separately, then pause, discuss, and pray together. Wherever you are in your marriage (or if you and your partner are planning to marry), this rare blend of faith-building spiritual counsel and problem-solving practical advice is an aid to finding (or keeping) that close bond you have always wanted with your spouse.
