A powerful marketing exercise that will shock you
Write down how many hours you spend each week:
online writing proposals, presentations, emails, sales letter or follow-ups.
On the phone speaking to prospects, customers or partners.
At sales meetings, appointments or 1-2-1s
Networking at breakfast, lunch or evening events.
1. Now add up the total hours you spend each week on all of the marketing activities above.
2. Next, write down what you pay your self or charge yourself out at on an hourly basis.
3. Now multiply (1 x 2) above together. (total weekly hours x hourly rate).
Now look at your answer! That's how much you're currently investing in your marketing EVERY WEEK and if you're not generating the results or ROI that you want then you know you need this book.
Take action now. Scroll up and click the buy button at the top of this page and you can read Small Business Marketing Tactics That Generate Results on your Kindle device, computer, tablet or smartphone.
