Out Of The Darkness is a step by step guide to breaking free of pornography addiction. Nowhere else will you find such a insightful look at the spiritual, emotional, mental, and physical effects of long-term pornography use. From the doctors of the church to the modern saints, Masters pulls all sources together to study the full scope of damage pornography is doing to men. And then he shows men exactly what to do in order to stop... to purify their sex lives and come closer, once again, to God, their wives, their children, their friends, and the entire Church. Not in ambiguous notions and theological ideas, but in practical steps. He doesnt just tell you to live a chaste life--he shows you how.
