

## Restored: True Stories of Love and Trust After Porn

Porn Kills Love...These Couples Brought It Back To Life  
Pornography is a cancer of the spirit that not only darkens the minds and souls of those who use it it corrodes their relationships. It destroys trust, deadens intimacy, and erects barriers of shame, anger, and betrayal between husbands and wives, between parents and children. But this cancer can be cured. Love and trust can be built again. In Restored you ll read ten honest, hard-hitting accounts of real women and couples whose lives were shattered by porn s destructive effects. But because God s grace is stronger, they were able to find healing and hope, trust renewed, and intimacy Restored.
