

Walking Shoes A Soul Journey

All journeys are journeys of encounter with the Lord who walks with us in the cool of the evening. Sometimes they are deadly silent; other times they are full of travail. But all times, no matter what the occasion or circumstance, they are journeys with rather than against; journeys to rather than from; journeys indwelling rather than dissipating. Any journey demands both a challenge and a risk; an act of faith in what is to come because of the assurance of what is past. Yet, the challenge and risk always leads to a homecoming. And the journey home is always shorter and full of special memories because it embodies the reality of a happy ending.
