

One Letter at a Time

One Letter at a Time is the inspirational story of Rick Hoyt told from his perspective and those he inspired. Though born a non-verbal spastic quadriplegic with cerebral palsy, Rick worked diligently with co-author, Todd Civin, to share stories from his incredible life using his one letter at a time method of speaking. Hoyt, together with his equally inspirational father, Dick Hoyt, has competed in nearly 1100 athletic events including thirty Boston Marathons.
