In Loving Remembrance ... is a grief and loss workbook for couples, individuals, groups, & others encountering the death of a baby due to miscarriage, ectopic pregnancy, stillbirth or early infant death. Your loss can be recent or years ago. The bio-psychosocial, spiritual, individual, couple and family components of grief, loss, and suffering, as well as scriptures, Catholic Church teachings, ways to memorialize your child, and resources are included. The workbook is designed for group or individual use, and as an ongoing accompaniment for your journey. The format is both interactive and reflective. It is also well suited for grandparents, aunts, uncles, siblings, other family members, friends, religious, students & counselors. You will have the opportunity to learn other approaches, normalize your experience, realize you are not alone in your suffering, advance in your growth, healing, hope, and relationship with God and others.
