There once was a passive Minecraft sheep who lived alone inside a fence. He was a passive mob and minded his own business. He was always happy with whatever he had and never sought out more. He had a passive life in the Minecraft world until he met this nice young miner boy who was an adventurer named Steve. He felt a connection with this miner boy and they enjoyed each others presence until one day when the miner boy, Steve, went missing. The sheeps Minecraft adventure begins in this short story as he challenged himself hard to find his young miner friend. Read all about this Minecraft adventure featuring Steve and a passive little Sheep today! This is an unofficial Minecraft short story that is a work of fan fiction.
