

The Seekers Guide to Being Catholic

Mitch Finley once again taps into the hearts and minds of Catholics--and those curious about Catholicism--everywhere. Recognizing that being Catholic today means being a seeker, a pilgrim, a persons with questions, doubts, and insecurities, Finly invites readers to explore with him the riches of the Catholic tradition. By sharing his own love for and understanding of Catholicism, he joins seekers in asking Who are we and what do we want from our faith? Why be Catholic?
