

The Unseen World: An Exposition of Catholic Theology in Its Relation to Modern Spiritism (Classic Reprint)

Excerpt from The Unseen World: An Exposition of Catholic Theology in Its Relation to Modern Spiritism The attempt to hold intercourse with the inhabitants of the unseen world is not, as some seem to imagine, a practice peculiar to these modern times. It was resorted to long before the Greeks inquired of Apollo in his temple at Delphi through the mouth of the Pythoness and before the Romans consulted the Sibylline oracles at CumÆ and at Tibur. Nor is it a practice confined to civilized and cultivated races. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
