

Subjects for Particular Examen: For the Use of the Brothers of the Christian Schools (Classic Reprint)

Excerpt from Subjects for Particular Examen: For the Use of the Brothers of the Christian Schools Joseph Hippolyte Guibert, by the Divine Mercy and Favor of the Holy Apostolic See, Archbishop of Tours: After having subjected to a careful examination the work entitled: Subjects for Particular Examen, for the use of the Brothers of the Christian Schools, by Brother Philippe, their Superior General, and printed by M.M. A. Mame & Co., Tours; and considering the favorable report which has been addressed to us, we hereby approve of this book, and authorize its publication. The reading of this volume will be very profitable, in accordance with the design of the author, since it places under the eye a picture of the general obligations of the Christian Life, and the particular duties of the Religious State. We know by the teachings of the Church, and experience, that habitual meditation on the virtues which persons, consecrated to God, ought in an especial manner to practice, is the most efficacious means for making constant progress in Christian perfection. Given at Tours, in our Archiepiscopal Palace, under our signature, the seal of our arms, and the countersignature of the Secretary of our Archbishopric, this 18th of February, 1859. By order of Monseigneur the Most Illustrious and Most Reverend Archbishop of Tours. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an

important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
