

Facing Forgiveness: A Catholics Guide to Letting Go of Anger and Welcoming Reconciliation

Out of the wealth of their shared experience, authors Sofield, Juliano, and Aymond have fashioned an inviting exploration of the process of forgiveness that blends compelling personal narrative, wise spiritual guidance, and sound practical suggestions. Written with Catholics in mind, this simple primer is designed to encourage the first steps in the process of forgiving with over twenty-five stories of real people who found their way to forgiveness or sometimes who choose not to forgive. As readers look into the faces of the wounded people profiled in this book they recognize forgiveness is indeed possible.
